the plain significance of that was that if the member chose to stay away be would do so at his peril. It is open to question whether the use of these marks, supposed to be so dear to the feminine mind, beneath the summon-Science Hill, Ky, died from swallowing ing words in whips circulars have been some creasele its mother was using for productive of good or harm. One obvious result has been to cause legislators to

of peremptoriness. If a whip were to be asked what possible "peril" could be involved in a member disobeying a party command, and staying at home when a great division was pending, he would no doubt reply that the peril" arose, from the member's own constituents. But, for all that, members who are easted in the parliamentary attendance or con-firmed absentees do unquestionably go in terror of the remonstrances of the party Wilfred Laurier, the young leader of the fuglemen, apart altogether from a con-sideration of the effect of non-voting on

Long custom has made the rule of the whip a prescriptive one which nobody would dispute, except when convictions forced a man to quit his party ranks and vote for once with the opposite hosts. It is a rule which is exercised with great er Intropid seized the fishing boat Gold tact and judgment, and which is not re-bust, belonging to Mr. Bianchard, a sar-sented. Now and then, no doubt, merobers sented. Now and then, no doubt, members break away from the whips; occasionally a statesman, like Mr. Disraeli in his free at Allentown, Pa., died July 24 last, and his accounts are now found to be short to the extent of \$3,000.

The republican state central committee of the republican state central committee of the party of the extent of \$3,000.

out for the fame which awaits the political leaders on either side.

The whip has a hard fate. He leads a scandalously irregular life, as far as late hours are concerned. He is expected to rise with the lark, although he o bed with the reporters, and when the N. Y., was arrested in Chicago and held in \$1,000 bands by U. S. Commissioner Hoyne for sending improper communications who are in trouble of any sort come to him and consult him as if he were a father confessor. He is supposed to have a kind was arrested on a requisition warrant upon of intuitive acquaintance with the "feeling a charge of obtaining about \$850 from the of the party," and if he misleads the leaderspeed Publishing company, Chicago, by

dunder in parhamentary sackcloth. Under all possible irritations he is expected to keep his temper, to have a nod or a cause she refused to kiss him and would not word rearly for everybody, and to smile receive his attentions, he being a married like an angel, even it kopt up by an all man with three children.

display of civic virtue? The virtue in this case, as in most cases, is its own reward, and the whip gets no pecuniary so-latium whatever. He takes his salary in the esterm of his brother members, and in the consciousness that he is playing an important part in the political areas. No somer are the doors of the house thrown ide, and the division bell sounded, the he is to be seen making his way rapidly to the front benches, there to receive in-structions as to which lobby his party is

to go into, and other important matters. He is expected to have some mesmeric influence over members, so as to "keep house." More than that, when there is danger of the cloture being needed, he has to keep such a house as was never dreamed of in the good old fashioned days, for be is responsible for having no fewer than 200 supporters in attendance, in the library, smoking room, dining room or lobby, ready to "pounce" when Mr. Smith gives the word.—London Telegraph.

Getting Acquainted.

publicans should be continued in power seems to annoy the democrats a good deal the remote sections of the state are reported Bradley's ratio of gain increases. The said a Roxbury father to his byear-old indications are that Buckner's majority and the state had gone prohibition by a small majority, but late returns tend to canadian vessels seized two American and I have been 'qualitied lots of days," and I have been 'quainted lots of days,' said the very small boy. 'What did you say to her first?' asked the father. 'Oh, Clara spoke to me first; she came down by the chicken house and asked me how many prayers I say nights, and I told her, she says, and she told me, and th were acquainted."-Boston Record.

> The Daily Newspaper. Though the Sunday paper is more or less literary, I do not believe that it inter-

feres now, or will in the future interfere with the circulation of the literary week lies and the magazines. All thriking men will naturally go to the weeklies and magazines to be informed on certain subjects. A great change would have to take place in the daily newspaper before it could be a serious opponent to the more carefully prepared weeklies and month-lies—Oswald Ottendorfer in The Epoch.

In Paris they will not sell you a book for 500 francs and let it go afterward at your own auction sale for \$100. If they have sold you a "peachblow vase" sort of a book their dignity as well as their interest will make them redeem is at the opole: perhaps because in this realm of equality everybody's desire is to be of the privileged few, perhaps because honors are prized more than riches there. It is silly to run mad after a bit of red ribbon for the lapel of one's cont, but it is not for the bibliophile who runs mad after bookbinding to say so. Moreover, the nan who would rather have a red ribbon than a fortune, if a bookseller, is the man

Ab, me, the step, how shorten one, Between the doing and the stone! How near the bark may come-to-land, Yet cast her cargo on the sand! Oh give me strength, and give me mind, To finish what my hands may find: That none may say in future days, "This man could bew, but could not raise "
